And of course, we are also thrilled to have Jamie co-facilitating again this year. He has been a steadfast group leader who keeps the kids engaged in discussion and fun.

Lastly, please also let us know if you have a child who has “aged out” of Sibshops (14 or older). We may be interested in utilizing them as supportive mentors/volunteers during the program.

Workshop presenter: Denise Gehringer, Program Coordinator Ollie Webb Center, Inc.
From the day her 4th son was born with Down syndrome, her life was set on a new trajectory. She immersed herself in learning everything possible to better understand and assist him. That grew to a love of helping all people with intellectual and developmental disabilities achieve their full potential to live healthy, fulfilling and meaningful lives.

Denise is the program coordinator for several programs for the Arc of Omaha at Ollie Webb Center, Inc.: The Next Chapter Book Club, The First Chapter Book Club, Parent to Parent, Stars Basketball, Tween Scene, The PRISM Project (Parent Resource & Information Support Meetings) and the Ultimate Life Program. Additionally, she is the Legislation Advocacy Coordinator for the organization. Her goal is to enhance and elevate the lives of the people who participate, to provide information to them, their families and the community and to advocate on behalf of the people and families she serves.

Her passion for helping those with special needs has filled every facet of her life. She currently serves on the Board of Directors at the Munroe-Meyer Institute at the University of Nebraska Medical Center, the Brain Injury Alliance of Nebraska and the Education Rights Council. Denise is a member of the Omaha Public Schools Superintendent’s Special Needs Advisory Committee as well as the member of the Nebraska Consortium of Citizens with Disabilities. She is the founder & director of the BSC TOPSoccer Program for athletes with special needs and is the Nebraska State Soccer Special Needs Commissioner. Denise is also a member of the National Down Syndrome Advocacy Coalition.

Denise and her husband Jeff and have been married for 31 years and are the proud parents of 4 interesting and socially conscience men. Also part of their family are four beloved pups and a speedy tortoise.

“My son, and all of the delightful people I have met along my journey, have inspired me to strive to raise awareness that all people are valuable, have abilities and deserve the opportunity to pursue their unalienable rights to Life, Liberty and the pursuit of Happiness.”

The PRISM Project is sponsored by the Arc of Omaha at Ollie Webb Center, Inc., with assistance from the Nebraska Department of Education.
